This colt's sire and dam were started under saddle by me and used on ranches in the Flint Hill's. They are cowy, have good hard feet, super tuff, with willing, easy trainable minds, and plenty of speed. My dad and I just started a couple of two-year-old fillies out of our first foal crop. And they are riding around beyond our expectations. This colt will make a great ranch, rope, or barrel horse that travels nice and smooth.

This colt's sire and dam were started under saddle by me and used on ranches in the Flint Hills. They are cowy, have good hard feet, super tuff, with willing, easy trainable minds, and plenty of speed. My dad and I just started a couple of two-year-old fillies out of our first foal crop. And they are riding around beyond our expectations. This colt will make a great ranch, rope, or barrel horse that travels nice and smooth.
